

2009-02-14

Greetings Members,

Your executive has now formally changed the name of our Association in keeping with the motion passed at our AGM. Thanks to Monica Robb for amending the logo name.

Your executive has also voted unanimously in favour of incorporating our Association. The primary reasons are to adhere to the policy of the other progressive Community Associations, and to provide us with legal protection relating to liability issues that may arise during the conduct our business.

At the AGM we approved the "Associate Member" category, which welcomes anyone wishing to become an associate member from outside the Village of Sechelt. We encourage you to support those that would like to join us.

If you want to discuss any items, issues or share information please call or email me. My email is kdouglass@dccnet.com phone - (604) 740-5979.

Cheers,

Douglas–President, SVCA
