The Mayor and Councillors
The District of Sechelt

I was appointed to the Revitalization Committee for the District of Sechelt four years ago. For the last eighteen months, the committee has not been functional as attendance of committee members has been erratic. For example, the March 25, 2009 meeting was attended only by Andre, one member and Councilor Taylor. The next meeting on October 28, 2009 was attended by Andre, myself and one new member. In the last six months of 2008 the meetings were similarly poorly attended. Meeting of October 28th was cancelled because of this lack of attendance.

I am submitting my resignation from the committee because I feel it is deceiving council by pretending there is a revitalization committee functioning.

I am willing to discuss this with any of you who wish to contact me.

Yours sincerely,
